The Story:

She met me on the street as she likes to keep her nosy neighbours at bay.

Had a quick shower, got straight in OWO which was superb. Plenty of spit and deepthroat. She's got a great bod and after 20 mins of watching her pretty face bob up on down on me, i took her doggy and filled her up.

Had a 10 min chat about how she came into escorting - hurry up fella's she is giving up soon!. She then gave me the nod as it was time for round two. I'm not big but I'm my fella is quite a handful girthwise when he's happy. I really wanted to try her for anal and she said yes. I was delighted. She actually likes anal and says she comes harder when taken up the arse. Suits me! In i went but after 10 mins of easing in and out of her, I thought what better than than for her to wank me off. 10 mins later it was all in her mouth .

She's a really lovely girl, mid to late 20's and extremely friendly and honestly likes sex and fucking! My kinda girl!

You are top Gen, that was a great way to spend a Friday afternoon. I gave her a ?20 tip as she clearly knows a thing or two about great service.
