The Premises:

Met at a hotel in Rugby, was clean and safe as expected.

The Lady:

Exactly as she describes herself on her website and then some, stunning lady 5ft 6 and 1/2 won't carry on anymore she was just stunning.

The Story:

She walked in and put me at ease straight away by making me laugh (This being my first time). We chatted for a few minutes then we got down to some kissing after that some oral which she was amazing at, moving on from this we did a few different positions until I couldn't hold back any longer, we then chatted on the bed for a while and after this had a shower together which was a lot of fun.

Moved back into the bedroom to carry on from the shower where I couldn't hold back again and finished for a second time.

She had me laughing and smiling all the way through the time we spent.

Amazing woman who I hopefully will be seeing again soon.
