The Story:

I had a fantastic time, as usual I went for Assisted shower to start, followed by body to body massage. Petra is a proper proper dirty little Minx who takes you to the edge of sexual heaven whilst sticking to what is permissible within the limits of Ego.

She has left me wanting to experience her other talents, needing the full on Petra experience some time soon.

She has also redefined my top three list, with a little help from Crystal. Which now stands like this;

No 1 Giesle

No 2 Petra

No 3 Crystal

Looking forward to overdosing on Ego again some time soon. Guys if you've never done the whole Ego thing - you don't know what you're missing. Which is fine with me and 'Steve's friend'
