The Premises:

At the time it wasn't that great but I know that these people are extremely professional so will probably have done it up good by now. It was ok and I would probably have been impressed had I not been a customer of their previous location

The Lady:

White girl but clearly been around alot of rudeboys! Very nice girl. Lovely smile. Physically? I don't want to be rude coz like I say, she is nice. Might be a good actress but really nice. Pictures on the website are probably dated.

The Story:

My god, what a girl! I've seen for girls since seeing ina tha ight and ifl got stuckin a room with all 4 they couldn't match Nina's skills, sauciness and ability to read me. There is only one thing that's stopped me going back and as pety as it is, it's just me. Cleanliness. hese girls seem to eager to earn a buck so don't clean like I feel they should between punters....and he smoking gets on my wick.
