Clean flat in block 5 mins walk from South ken tube station. Most of the girls who work in the area live here.

### The Lady:

Younger looking and even slimmer than the website photos. Firm breasts (maybe slightly enhanced) and a couple of tattoos.

### The Story:

I rang to book Natee but she was on holiday. The Agency suggested Flora because "she has a very tight pussy". Last time I tried to book Natee and she wasn't available I accepted Diamond and that was a big mistake - so I was hoping that this wouldn't turn out the same way.

Flora said she is 23 but she looks no more than 19 - very slim and very small.

This was a real GFE experience - Flora is a great kisser and understood the mood I was in without having to ask. Foreplay/build up was slow and there was never a question of her trying to rush things along.

She does indeed have a very tight pussy and as soon as she was on top she started to get turned on. Several positions later including anal, which she accepted without any hesitation, I came on her face.

After she washed and I had a shower she gave me a very good massage. We overran on time because of the massage but she said it was no problem as she didn't have another booking.

Flora is a sweet young Thai girl who can be wither gentle or a tigress in bed depending on your mood.
