The Story:

Have been meaning to try the Ego experience for a while now, and managed to book Penny at short notice on a day when I knew I was passing Milton Keynes.

Met at the front door by the receptionist and was quickly shown to the room. The menu of services (massage only that is), and towels were on the massage table, and when Penny arrived I opted for a 45 minute naturist massage. Various other treatments are available.

Penny is a trained masseuse and it certainly showed. After a quick shower, she provided an excellent sensual naturist massage, which was both thorough and very relaxing. This was then followed by the obligatory happy ending, which was expertly administered by a very attractive young lady.

Throughout my appointment Penny provided a delightful and friendly service. I certainly intend repeating the experience, and would highly recommend both her and the establishment.
