The Premises:

Private flats, door entry system unreliable, dark bare room, shower had towels left in from previous punter (which she did remove!) Felt safe. Same flat used by two other girls from the same agency. I'd seen Julia/Helen there twice before - her room was much better as was the shower.

The Lady:

Her body is just like her pictures, voluptuous and gorgeous. Her face is miserable, spotty and looked like she'd just chewed a wasp. Very unfriendly.

The Story:

Worst experience ever. Barely gave any eye contact. Started off with massage on back, then when I turned around she basically stopped! Asked for some OWO but she said she'd only do it covered (which I struggle to get aroused with). She was very rude and basically couldn't care less. I got v. frustrated with her attitude so called it day, demanded my money back of which she called the agency and they agreed to only charge me for 30 mins instead of the hour I'd booked. Left feeling very frustrated as I'd been looking to this one for ages.
