The Lady:

Being the gentleman I am I actually didn;t find out who was who, so 50:50 I'm right here :

Anna: Tall (6ft) long dark hair, slim, b cup breasts, shaven, quite nice looking

Juliet: 5'5", shorter brown hair, sturdier build, big breasts, shaven, OK looking

The Story:

Ye, that's right ?100 for an hour with two girls. I have to say my warning radar was going off in my head on the basis that if something seems to be too good to be true it probably is, however ...

Both girls are quite friendly, easy smiles, chat alot together in Polish. What you get is genuine girl on girl, covered oral and sex, I didn't ask for 69 but mainly because the lube went on (in) almost immediately. The girls are very clean and wont let you come on them nor do they kiss.

What you can do is have proper 3 some sex with them. I had sex with both and Juliet was definitely getting into it judging by the flush on her chest and wet pussy, which made her and Anna kissing all the hornier. They also did a 69 together for me. Very erotic.

They made me come (over myself) with Juliet wanking me and Anna rubbing my balls, this after changing the condom and covered O from them both to set up the finish. I left feeling very drained and having had sex with two willing girls. I found it fantastic value for money.
