The Premises:

very discreet house in residential area obvious that this is also her place of residence, Easy to park outside nice clean house and activities took place in main bedroom

The Lady:

quite a big dark skinned lady about 6 foot tall mid thirties (ish)not very good at this guessing lark but definately all woman.

The Story:

This is a Lady that definately enjoys what she does and does it well,
I have seen her a couple of times now and it is like meeting an old flame where the passion just gets rekindled the minute we meet, what she does in the time we are together is between us but I gaurentee you will not be dissappointed.
