The Premises:

Discrete but town centre, quickly off the street via an anonymous door.
Bath/shower and nice rooms.

The Lady:

Beautiful tall black lady. Site (no pics yet) says late 20s now I look; I thought at the time it had said mid-20s and that that could be easily changed to early 20s and believed. Healthy figure with full and shapely breasts and totally delectable bum.

The Story:

Love this big time. Shola was new to me and so everything was a learning curve and from the first moment seeing her and being taken aback by her stunning looks it just got better and better.

That is partly because of Shola's apparent inexperience and nervousness at first but yet she warmed to the task and just when you wondered whether she do something and suspect she wouldn't, she did it.

That had a fantastic effect.

Did all the usual things and chatted easily too.

Loved it loved it loved it.

I still love Ashanti here for every reason under the sun; to have Shola here too is just amazing.
