The Story:

On a visit a few weeks ago, I realised the lovely maid that day looked like Louise but didn't get to check if she was.

Louise was on the list to see anyway, so made an appointment to see her. Negotiated the 45mins for ?80.

Ordered a tea which Louise brought in, and then the fun starts...and what fun it was...Full on snogging to start, and then exploring Louise's body an item of clothing at a time. She was already wet.

Onto the bed for OWO, RO, 69, sex in various positions with an enjoyable finish while snogging throughout the encounter.

So, a no-rush session with a smashing GFE - another winner!
