### The Premises:

As described plenty of times. Discreet parking, friendly staff, clean.

### The Lady:

Not very good with sizes, but - about 5'3", slim and toned, about a size 6-8 (?). A very pretty young lady. Lovely toned figure, very nice pert breasts and bottom. Her breasts are small but firm and natural :) Lovely.

### The Story:

Very enjoyable visit. Savana did not seem very chatty, but that didn't bother me too much. I'd had a cr\*p couple of days and she probably picked up that and thought I didn't want to chat too much. She was very friendly and attentive which is what mattered. A nice slow build up, doing all I wanted and more.... did I say it was very enjoyable? Best part of the visit for me? Probably having her sit and grind on my face for ten minutes! Exquisite! She is quite a small lady, so be gentle. Thanks Savana, had a great time! x
