The Premises:

Spacious apartment in Central MK with ample parking nearby. Was slightly concerned by the BDSM equipment in corner of room to begin with tho!

The Lady:

Cute EE blonde with a lovely figure and soft D cup breasts.

The Story:

Nikki welcomed me with lots of tender kissing, although no DFK sadly, which eventually led to some covered OW finishing with me cumming on her breasts.

Whilst I recovered I was treated to an excellent massage from head to toe.

We then moved onto RO followed by some cowgal and spooning before she gave me some hand relief as the hour finished.

A pleasant enough GFE but we never really clicked and I just don't find covered oral or HR nearly as satisfying as OWO so doubt I'll be returning to see Nikki again tbh.
