### The Premises:

The location is nice. The flat was fairly clean. 5 min from the Tube.

### The Lady:

Chantal (aka Holly in other agencies and previously listed) is very attractive. Pictures of her are fairly accurate and when you meet her you'll understand why she does not require a lot of photoshopping. About size 8. She said she was Romanian.

### The Story:

I don't usually do reviews like this but this warrants one as I have found PN quite useful.

Turned up at her flat 5 min before the appt time but was asked to wait outside as she was not ready. I figured this could be her first appt for the day and could have had a late night before so I dismissed it.

When I finally met her she was quite cold and unwelcoming. That was a bad sign. Business out of the way she asked me to strip. I requested OWO but was rejected (ok. fine.)...Performance wise she was ok. She didn't like kissing very much so DFK was out. I was trying to enjoy my time with her but about halfway she complained why I'm taking too long to come. I thought women would want that?! So I hurried along and after finishing in mish she quickly stood up to wipe me up. The rest of the time was more like an interview. She was not chatty even though her english was quite good.

As my attempt at having a nice conversation with her wasn't going anywhere, I looked at my watch. 15 more minutes so I carried on chatting and contemplated on having another OW to finish off but a few minutes later she said it is time to get ready. I questioned this she said my time starts when I walk in the front door (not flat door) so by the time I get dressed and walk out of the front door it would be time! Unbelievable!

She is nice. If her behaviour changes I wouldn't mind going back but it's a catch 22 then innit?

If you are looking for GFE or even PSE, look elsewhere. A 30 min visit would suffice.
