### The Story:

Paris was very friendly when we spoke on the phone and I could not wait to meet her. I was not disappointed when she opened the bedroom door, she was dressed in sexy black gear and made me feel very at ease and welcome.

After the finances were sorted Paris asked me what I liked and we got down to some very hot stuff! She did a sexy dance in front of me whilst I was sitting in a chair rubbing her sexy ass on my lap and cock, and I was rubbing my hands all over her.

Her own skills are top notch and the best I have had...you have to get a blow job from this lady! Also her french kissing is superb!

Lots of mutual oral followed with more kissing, then it was on with the condom, and she mounted me and rode my cock while I watched her big firm tits bounce up and down.

We finished with doggy style and I came deep inside her.

Paris was then straight onto my cock again giving me fab own and I managed to get hard again which compliments her skills.

Lots of kissing again and own and another great fuck but I could not cum a second time as I was wasted!

Paris you are awesome and a lovely lady..Thanks for a great hour x
