A clean flat in the Moortown area of N Leeds. Parking is safe and you are able to park within a few yards from her block of Flats. Once you have buzzed the flat Patricia lets you in and the flat is on the ground floor just inside the entrance

The Lady:

Patricia has been described in many other reports. What was written was spot on. I very voluptuous lady with kisses that I haven't experienced before.

The Story:

This was the first time I had met Patricia and was a little nervous since I had had a bad experience in the past that's why I only went for the half hour. My fears were none founded. As I arrive at the door I felt immediately relaxed and at ease. I had read about the 'kissing thing' and now was about to experience it first hand. Wow! Her lips were so soft so we had a fairly long session before moving to the bedroom where we chatted with her hands roaming over my chest. It wasn't long before I was lying on the bed naked and she moved slowly from the bottom of the bed to the important bits. Those lips were at it again and this time it wasn't on my mouth! It was fantastic. She then used the oil, oh!, how I love the oil. Her hands were so gentle yet also firm enough. It wasn't long before it was all over and I was spent. So I had a shower and then talked a little while before leaving.

Would I recommend Patricia, the answer is a resounding 'Yes'. I can't wait to repeat the experience but next time for longer.

'I'll be back!'

Thank you Patricia.
