### The Premises:

Quiet side street with no passing traffic. Pressed the buzzer on the entry phone and went down. Tricky to find the front door of the flat as you've got to pass through a fire door. The actual flat is quite large and in a good state of repair, not at all tatty. I was welcomed with tea and biscuits and Candice wearing the black dress from the photos.

### The Lady:

Candice is certainly the girl in the photographs. Long legs, large breasts, great smile and very, very attractive. Her skin is indeed very soft:o)

### The Story:

I had a terrific time with Candice. We started with a some very soothing massage back then front. She has a lovely touch. After a while, she handcuffed me to the bed, at my request. She then spent the next hour and a half hard at work. Her pussy is neat and tidy and tastes delicious, well worth the time spent in the 69 position. Oral sex with. She has various toys she used to probe my arse, again, very gently done as requested. Plenty of oral sex and with her riding me. She made me cum for the first time in the 69 position, gut-wrenchingly good:o) After a quick clean-up, Candice carried on paying attention to my cock, working it up again.

She released the handcuffs and then let me fuck her doggy-style. What a gorgeous arse! Just right for fucking. Before I came the second time, I requested she use a strap-on (small! ). Needless to say I didn't last long the second time, with her pounding me from behind and wanking me at the same time. She is a very friendly girl, expensive, but definitely worth paying the bit extra I feel. After my 2 hours were up, she let me have a leisurely bath to freshen up and we sat and chatted for a while before I had to leave. 9.5 / 10
