The Premises:

Corner house just outside town centre. Lived in and atmospheric decoration for working room.

The Lady:

I thought all the girls here were oriental - until I met Anna. She is a raven-haired curvy tall Italian whose behaviour match her looks, I'm pleased to say.

The Story:

Anna looks like a voracious lover, has the manner of one and fulfils the image in reality.

The greeting was accompanied by a roaming hand and we were soon on the bed snogging and fondling.

Whatever bit of Anna's body became exposed was available to do anything with and she was fully appreciative and was pretty explorative herself.

So a full-on session that was very different from some (but not all) sessions with the oriental girls and hugely enjoyable.

So a big surprise here and all the more fun for that.
