### The Story:

Isabelle shared a cup of tea first while we chatted. We kissed a bit and I asked to let me undress her. Fully naked I asked her to lay on the bed while I licked her lovely smooth body and made her nipples hard.

She suggested using oil as it is sexy (she said). I then indressed and proceeded to rub oil all over her, mainly around her shaven pussy. She moaned and played with her tits. I then started kissing and sucking her pussy until she came.

She called me a gentleman but I'd enjoyed it as much. Then she did me. Lovely deep sucking on my cock. I asked her to get on all fours and gently brushed my cock against her pussy, just entering slightly. I was in danger of coming too quick so asked her to sit on me. She very slowly guided me in to her. I could then play with her tits and she rode me gently. I came inside her. For an older man to have such a young lovely is a fantasy come true.

She is fantastic and I recommend her to anyone who wants sex with a wonderful 18yr old.
