Bottom apartment, very functional.

The Lady:

Her pictures are heavily photo-shopped. It is the same girl, but she made not effort to be presentable. Her boobs are nice, but she does have a bit of a belly not evident in the photos.

The Story:

She caught my eye and I wanted to see her for awhile, but always looked for a review. Seeing none, I decided to take the plunge. I am sorry I did. She did not engage at all, almost seemed put off that I was bothering her. We sat down, she didn't look at me, but, rubbed me until I was stiff. Then a bit of OWO, but she wasn't happy doing it. I asked for mish, then doggie. It was so poor, I just wanted to finish which I did over her boobs (which are nice). But, a very poor punt, I was dressed and gone in 20 minutes.
