The Premises:

Luxurious flat around the back of The Cardigan Arms pub, opposite Vue cinema.

Discreet rear entrance, with car park.

2 big clean rooms, nicely furnished with large beds allowing plenty of room to manoeuvre.

The Lady:

Pleasant, chatty 24 year old long haired blonde, with an angelic face that actually looks younger than she is.

A few extra pounds spread over her body, not that you would call her fat, cuddly maybe, with a ample pair of breasts.

Quiet and shy by nature, making a visit to her all the more of a treat.

The Story:

Katie gave me a back massage whilst we chatted, followed by covered oral. It was a delight to see her gorgeous little face bobbing up and down on me.

I was squeezing her boobs and telling her how nice they looked, so she pressed them in my face for me to suck.

She embraced me tightly, which I love, and I kissed her perfect neck. I tried a kiss on her lip - no problem! GFE snogging it was.

She laid back without a word, legs akimbo. An offer of reverse oral maybe? Don't know, I went straight into mish.

Katie is unexpectedly noisy on the job, purring and yelping, so my need to come soon overtook me.

So, if you want a pretty young lady for a bargain price, give her a go.

But remember, the other Katie outperforms any other girl in Leeds.
