The Lady:

Kelly - 19 years old beautiful "girl next door" innocence with published glamour model looks 5'4" with incredible big firm natural boobs - tight wonderfully trimmed pussy - just beautiful.

Ava - stunning late 20's olive skinned French beauty, wonderful firm boobs, one of the sexiest and adventurous girls alive!

The Story:

Treated myself today - wanted to try Kelly after all the great reports I'd heard but was in a quandry as she was working with Ava (who I'd marry in a heartbeat!) so ... digging deep into my pocket I booked both for half an hour ... (I'll eat next week!!) This was all my birthdays cum together. Entering the room I was greeted by two dfk and two beautiful bodies that were soon naked. OWO x 2 was incredible and watching these stunning girls sharing my cock was a sight to behold forever. Laying together side by side I was able to spend some time licking their two pussies, deep french kissing each in between so they could taste each other on my mouth just fantastic!! Ava and Kelly are both very natural and give the perfect GF experience. I covered up and Ava helped me into Kelly watching my cock sliding in and out of her beautiful juicy young pussy whilst she fingered my arse from behind ... (turning to french kiss Ava was the icing on the cake, she really is so sensual). Kelly is new to the industry but her enthusiasm and skill belies her age, Kelly is a really genuinely nice girl, her eyes flash with honesty and sexuality all at the same time and there is nothing false about her. She enjoys herself (...and you)and is worth ever single penny paid to her ... I am seriously considering a religion that allows multiple marriage so I can live with Ava, Kelly and Natasha (in fact it would be easier if I just moved into truly scrumptious!!) The two girl experience with these two proved too much and I came far quicker than I had hoped (although time was pressing on it must be said) having ditched the condom Ava wanked me over Kelly's beautiful flat stomache and pussy. There was no rush here and in the remaining time (in fact 5 or 10 mins over) we chatted like old friends, naked, spent and comfortable. Ava was as incredible as ever and Kelly

is yet another rare gem ... beautiful, genuine and very very sexy. As always these girls deserve to be treated with respect and it was a privilege to spend time with both of them. Truly Scrumptious really is full of the most beautiful, friendly and talented girls I have ever come across (and cum across!!)
