The Premises:

Located in a flat on London Road, town end near Midland Road, behind the hospital. You go in through a door round the back, so its not too obvious, if at all.

Flat and room you go in are clean and tidy and felt very safe.

The Lady:

Stacy is a pretty, friendly girl, with lovely black curly hair. About 5'4" tall with a very nice smooth, firm figure. She is 22. She has a wonderful pert pair of breasts with, what I can only describe as, the most lovely pair of nipples I have, I think, ever had my lips round. They are just there saying "please suck me!" Heaven!

The Story:

This was a great session with a friendly, smiling girl. I just wish she would kiss for the fee I paid (that is ?10 extra and I wasn't told that when the receptionist (who is lovely too! Can I with you one day?) described her. The usual full service was perfect, and she really loves being pounded hard to satisfy me. And those nipples - lovely! Top class girl - thanks Stacy!
