The Lady:

Her pictures on the agency's website give the impression of a pretty slim girl with nice curves and a "B" cup breasts. She is neither of those.

The Story:

I initially made a booking for 12.30, but got stucked in central london's traffic. thumbs up for the agency as they re-arrange for 1pm without any fuss. When I arrived, I rang the buzzer and someone asked who I wanted to see. I was let in, and I climbed the stays to her floor. Yet, when I got to her door and rang the bell, there was no answer. I waited for over 90 seconds, b4 the door opens. 90 seconds in this instant seems like for ever.

I was expecting a girl as per her pictures, but, no, Iris is not an Asian pretty model type that the picture let me to believe. Don't get me wrong, she is not ugly. Just in this instance, my intention wasnt to fuck a skinny asian girl with "A" cup breasts. From then onward, i couldn't recover from my initial dissapointment. The girl is good at what she does, infact very good. I can honestly say that no girl has ever rode me cowgirl with such enthusiasm. I entered her ass hole, but it was painful for her, even though she didn't complain, but I had to settle for her tight pussy. Her blowjob is excellent (allbeit, after using half a pack of wet wipe to clean me up, and I just had a shower b4) and she is a nice girl to be with. At the end, I have to wank myself to completion after 40 mins of non-stop shagging in evbery position. She knelt in front of me with her mouth wide open, taking every single drop. After, I request to have a shower, to which she offered to join me. I was the most pleasant part of the punt. This girl is good at what she dooes. If only the pictures had given a true reflection of her looks, then I wouldn't have been disappointed and would have enjoyed her better. Whoever took those pictures deserve an award.
