The Premises:

Very large room in shared flat on the Cromwell Road. Short walk from South Ken tube.

The Lady:

Web pix are fairly accurate. Jacky is a good-looking Amazonian blonde woman in her early 20s. She is much taller than the advertised 5'6". I would say closer to 5'9" / 5'10". Large and very firm breasts, powerful thighs.

The Story:

An enjoyable punt. Oral covered but FK was available, as was reverse oral and toy play. Reasonable English (she is Hungarian) and quite friendly. Ideal for those (such as myself) who enjoy the idea of a woman who is tall and dominating. Max Mosely would have been in his element.
