The Lady:

Not quite the photograph, but pretty none the less. Very Long Black hair, shapely legs, and nice bust. Not skin and bone, but not chubby either.

The Story:

my dirst "High class" experience.... had a few quid burning a hole in my pocket, saw her on web cam , and thought... "lets go for it".

So I did!

Made booking, and popped round there.

Dressed as requested, and had a thoroughly enjoyable experience.

Very mucg a pleaser, though more on th eprofessional than GFE side of things...

Not bad... not better than anything beofre given the difference in what I usualy pay, so I would say no better than SoHo or Parlours, just different.
