The Premises:

A well established parlour with a good private entrance & secluded waiting area. Currently undergoing some interior refurbishment. Beds could really do with replacing if I'm honest

The Lady:

Gorgeous Black Lady about 5'9 with a fabulous set of curves, B to C cup breasts, short dark hair, a killer butt & the best lips I've ever kissed.

The Story:

I've seen Jaden a couple of times now & I'm pleased to say she didn't dissappoint. I paid for the full GFE although she doesn't french kiss or do OWO but then I prefer it that way so I felt more comfortable straight the way.

We began with a bit of chit-chat & a massage with powder which was lovely as she rubbed her whole body against mine which really got me going. She then turned me over & we began some passionate kissing for what seemed like ages, If I had my way we'd still be there now as her lips were phenomenal. We then moved onto oral which quickly turned into a 69 with her on top, her pussy was fantastic & I really was able to get my tongue in deep whilst fondling her arse. After this she sat me up & straddled me reverse cowgirl & proceeded to fuck me good & hard whilst I ran my hands all over her body.

We finished off with me taking her from behind whilst we were facing the mirror which had the desired effect. This girl is a real hidden gem who throws herself into things with real gusto, I can't wait to go back.
