### The Premises:

A small two bedroom terraced house on a main road near the town centre and station. The area is perfectly safe, and the house is clean and tidy. A shower and clean towels were available.

### The Lady:

Sienna is an attractive English girl in her early twenties. She has dark hair, is nicely tanned, quite tall at about 5' 10', medium build with weight in proportion to her height. She told me she works at one of the lap dancing clubs in the West End, which I can believe. The photos on the website are definitely her, although she has had her hair straightened and coloured since the photos were taken.

### The Story:

I had a great time with Sienna. She has a friendly, sunny, girl-next door personality and was enthusiastic and eager to please. She was gentle when I wanted her to be gentle, and raunchy when I wanted her to be raunchy. There was as much French Kissing as I could ask for, a really fantastic uncovered BJ, reverse oral and sex in various positions. Throughout the time there was plenty of eye contact, and she gave off the impression that she was enjoying things almost as much as I was. The whole thing was a really good experience with a really lovely girl.
