The Premises:

Nice clean and comfortable new build house in a quiet cul de sac. Easy parking right outside. The action takes place in a luxurious bedroom with ?en suite? bathroom facilities.

The Lady:

Beautiful. Tara shows her face on her website and all I can say is that she looks even more gorgeous in real life. Glowing auburn hair, hypnotic green eyes, enchanting smile and the stunning curvy figure of a real woman. It all adds up to a pretty spectacular package.

The Story:

It?s fair to say that this was a definitive ?girlfriend experience?. From the moment I entered Tara?s house, everything happened so naturally and it all felt so comfortable. In fact it went so well that in the midst of it all, it was hard to believe that this was the first time we?d met, it felt like we?d known each other intimately for a long time. There was endless amounts of snogging and passionate French kissing, cuddles and caressing as well as plenty raunchy stuff too. Tara seemed to instinctively know which buttons to press and she gave me two fabulous orgasms. Her uncovered oral in particular was extremely enjoyable and she seemed very appreciative when I returned the favour. Tara is a cultured and sophisticated girl and well capable of engaging in interesting conversation. I would also add that she is very warm and friendly and easy to get on with. She is no clock watcher either, the appointment over ran by a fair bit and not wanting to take advantage, it was me who made a move to round things up. So just to sum up, this was a fantastic experience and I can?t wait to see Tara again.
