The Story:

This was my 2nd visit to see Lara. I phoned in advance and she greeted me in an eye popping pink basque and string. after going upstairs she provided the ultimate gfe and left me more than satisfied. This time I took the lead and tied Lara up with my tie and proceeded to show her what I could do. When she finally escaped her bonds she gave the most amazing bj before we fucked in too many positions to count. when we had finished we talked for what seemed ages before a goodbye kiss making me want more and more.....
