The Lady:

Very attractive lady perfectly proportioned, you cannot help but like her

The Story:

It was easily through a friend of mine .Crystal asked me what to i would prefer her to wear but as she had just showered the decision was easy-nothing she started with an excellent back massage with an excellent exploration between the legs and sensual massage with her breast. Then turn over and continue with same erotic technique on the front. Beyond this was between the two us as regards absolute magic the sweet juices keep comin and coming. Adventurous and understatement. Also takes the lead if she feel that u're too nervous to suggest the next move. I'm absolutely sure that Crystal really enjoyed our time together and went out on her way to ensure perfect meet.Altogether a special woman. Need to get back and see her soon keep smiling u're a wonderful lady, and on top of all she practice safe all out xx
