The Premises:

Small house in Great Hollands area of Bracknell. Was messy and untidy but clean enough. Safe enough and felt safe. There were other girls in the house - so I was in good hands!! LOL

The Lady:

Young lady with slim body and nice smallish breasts and nice nipples. All shaved and clean, which was nice.

The Story:

Scarlet advertises independently and has only limited hours to work due to kids, etc.

Anyhow, she said 15 mins was Ok for the price and I was happy.

Both stripped and I went for RO as I did not have much time. She loved it and did cum and said she has not had that done to her in a long while!

Finished in Mish and I went for that with gusto - I nearly had cramp in my legs!! just what the doctor ordered I guess.

She does not kiss at all, but makes the right noises.

(she said I was on a timer - but I wont hold that against her..LOL)

Scarlet is difficult to get hold off as sometimes her phone is switched off and she does not text either (probably a lack of credit).

She was a little rushed and a little stressed due to cash flow worries, etc. But she's a great lass.

Treat her well fellas - IF you get hold of her! She is only available from AM's till approx 3.30pm, but it will be difficult to get hold of her. I don't think she takes the profession seriously, but that ain't no bad thing either.
