The Premises:

By Staples with plenty of parking! Lovely place and spotless in side, not that i was focusing on that, but it was nicely done!!!

The Lady:

People say that a picture is worth a thousand words, a real Carla standing right in front of you is worth a thousand of those pictures you see on the website!!! lol... If that makes any sense, she looks much better in real... and very tasty!

The Story:

What happened in that room during the visit is got to be one of the best punts i ever had! I mean she is very friendly, genuine loving what she is doing and very very good indeed at what she is doing!

wow wow wow... simply the best!!! lol...

I mean she makes you feel very comfy and at ease, she is totally focusing on you for the entire time and treats you like a king and blows you away!!! Her BJ is soooo good.

Can not go into too much details as i'd like to keep it to myself but i LOVE her!!! In fact, i am scheduling a meeting in Milton Keynes next week already so that i could go and see her!

Gentlemen, believe me --- if you think you have seen everything, think again... you have NOT seen nothing yet till you see Carla!!!

She is definitely one million percent a MUST SEE ... - It hurts me put this sentence out here as i'd like to keep her to myself if i can!!! (I am actually considering asking her out!!! ;-)

Thank you Carla!!! xx
