my hotel, OK, but keycard operated lifts. Last time I stay there.

### The Lady:

Katelyn came to visit me at my hotel and we had to meet in they lobby as the hotel had keycard-operated lifts (that is the last time I stay there).

But no fear: Katelyn is quite capable of handling a "lobby meeting". She is a Lovely, Good looking 30-something Woman with just the right amount of comfortable curves in the right places, and with a joyfull outlook on life. She sparkles.

Not someone to cause you embarassement in a hotel lobby, rather an excellent companion to meet under any circumstances.

### The Story:

Katelyn is a very Skillfull seductress.

We started off calmly with a sip of Irn Bru (this being Scotland, and all) but she didnt waste time in getting me all hot n horny for her. The name "Katelynskisses" is much appropriate. She is a Soft, tender, touchy-feely, and oh-so Exciting lover. She who knows just how to turn on a fluffy like me.

I'm still not much of a massage-type, but a body-massage by Katelyn, with some special caresses is worth a try. She had me jumping with excitementin no time. Because that is one of her talents: she knows how to get a guy excited, how to get him on the edge.

We quickly ended up in a proper frolick on the bed and I remember vaguely how she up on the rubber with "no hands". There was no way I could control myself for long.

This girl is Mint! she sent me straight to heaven, twice, and Left me well exhausted. Luckily, she did take care of a nice after-cuddle as well.
