The Premises:

Aleshas place is a very discreet and cosy apartment in London. Well decorated and felt very safe there.

The Lady:

Well what can I say, Alesha looks even better in the flesh than she does on babestation on the net, yes guys, babestation on the net.

She is beautiful and very friendly with it, curves in all the right places. Have to also mention Lauren, who directs you to Alesha, so friendly and very professional. a credit.

The Story:

Had a glass of wine and got down to some serious gfe, Alesha is unbelievable in the bedroom, owo, kissing, dirty talk, the lot. Have spoken to her on the net, but being with her in the flesh is a must. Could hve popped my load at any given moment, but managed to control myself. Basically guys, you have to see Alesha, just make sure you treat her with respect, will be back for more.

Thanks again Alesha and Lauren. See you soon for more of the same.
