The Premises:

Off the main road down a small alley leading to above premises the place had good decor and the rooms was very nice and clean with on suite shower facilities

Parking near by is a problem due to the location nr to centre of town ,However some 100 yards away at the roundabout there is a car park 3hrs for 60p so not to bad but hey one of the better places i have visited fo cleanliness

The Lady:

Paris is a jamaican looking girl standing at 6ft in her heels wearing a slinky red outfit showing off a great bust maybe DD and she had a fine figure maybe a 12 not chubby but very curvy in the female form

short black page boy style hair just above shoulder length

very attentive in the lounge giving attention to the client this is why i chose her

The Story:

The service was definatly above the average service you get usually in the parlours and she paid particular attention to my requests of oral giving as well as recieving she insisted i chewed that big red clit of hers as hard as possible telling me i was her first client today and she needed to cumm and explode with a massive orgasim wich she did in her own naughty way and there was not any doubt of this if you know what i mean

She then turned her full attention to me and made sure i to was satisfied and came all over her tits just were i wanted to put my hot load we cleaned and returned to the lounge were i had a cuppa then left on my journey back to Leeds.

All in all a great time here and i shall return next time im over that way thx chef from leeds xx
