The Premises:

Tasha lives in a nice apartment in a new block in the centre of Hounslow, just off the high street. She shares with another girl, shower facilities are provided via an ensuite. Only one complaint the bedroom was a bit stuffy.

The Lady:

Tasha is a very sweet, young Polish girl with a nice friendly personality. She is about 5ft 7in, slender without being skinny, she has large boobs with nice responsive nipples, a shaved pussy with a central strip, her skin is tanned golden all over (sun bed). Her english is good but some things get lost in translation. Nearly forgot she has a nice peachy bum.

The Story:

After a shower I lay on the bed and she gave my chest a nice massage, then she started kissing and sucking my nipples whilst I rubbed my cock between her tits, wonderful. Next followed a covered blow job and sex in a couple of positions, then I went of the boil, my fault entirely, Its really busy and stressful at work and Im tired (and Im getting old). Tasha made me a Polish coffee and we had a chat and a cuddle. Then we tried again, I was a bit firmer but I must have loaded blanks this morning. Tasha is very enthusiastic and if she was in Central London could charge a lot more for her services, Im just pleased she is allmost on my doorstep as Im getting a bit fed up of traveling up to town for my kicks. This is the second time Ive seen Tasha and I think I may become a regular. Theres only one thing she seems to shy away from and thats kissing, I enjoy a good snog, anyway everything else more than makes up for it.
