The Premises:

A flat not a million miles away from the old HoD 1 premises. I was well guided in by the receptionist (or maybe the new owner?) and there were no problems getting in.

The Lady:

A super MILF! The website gives a fairly accurate indication of what Ellen is like, but for the record I found her very attractive. She is a tall picture of a women with a women?s body.

The Story:

This was a great punt with a lady that knows her stuff. Ellen has been on my radar for ages, but our diaries never seemed to coincide. I had originally booked in with Julie after being told Ellen was booked. However, when I called to confirm I was told Ellen?s appointment had cancelled and I could change. No reflection on Julie, but I?m pleased I did, as I was treated to half an hour with a very sexy lady.

Ellen was sitting on the bed waiting for me when I came out of the shower. This was a nice touch, as I?m not a big fan when the girl disappears for ages for no apparent reason. After a few moments small talk Ellen slipped out of her dress and bent down to kiss me (full fat, no messing). I stood up for a while and indulged in some standing up snogging, before she pushed me on the bed, dropped to her knees and started to administer some lovely OWO.

Ellen is very skilled in the O?level department and can take it deep. She also mixes her technique with plenty of hands free oral and likes to give good eye contact. I had to ask her to slow down on a couple of occasions, the last of which gave me the change to get her on the bed with her legs spread wide. She seemed to enjoys my reverse O skills, with some fingering thrown in.

We moved on to sex and I started on top. This was very nice helped by more deep FK. We then moved on to doggie, before Ellen had me sit on the settee to straddle me.

We finished the punt with her on her knees again giving me oral mixed in with HR. Funny, she caught all my cum in her hand as to not make a mess.

I'm pleased to see Annabella's has risen from the ashes of HoD and they have retained some of the top girls. I will most certainly be back.
