The Premises:

All been said about this place before- i/e the parking, lift, water fountain etc.....place is very clean.

The Lady:

Young early 20's small, indian, dark skin, great 34c tits, a nice handfull with superb responsive nipples. Long flowing black hair - just how I like my girls.....

The Story:

Cme into room with black basque on, fishnet hold up stockings and push up black lacy bra - my knob stood up to have a better look! YUM YUM.....Paid for ?60 30 min service - which included kissing, oral (covered) sex and mutal wanking.

Nice amount of kissing before Selina sat on bed and sucked my very hard cock, then watcched her fing er fuck herself before on with the mack and me fucking her.....nice tight cunt, she seemed to enjoy it and knew what I was looking for, i/e she pushed her tits together made great eye contact and watched me fuck her in the mirrors - sad to say I shot my load far to quickly to get a full taste of this girls skills.....
