The Premises:

Place was clean and tidy, in housing estate but was quite and parking easy, I didn't have any issues with the area

The Lady:

Very attractive 5'5" slim, pert breast with lovely nipples, made me very relaxed and this really helped me enjoy the whole experience

The Story:

Opened door wearing robe with bra & panties, got the formalities out the way and started with a massage, was lovely feeling her breast rubbing over me, asked her to masterbate for me which I enjoyed watching while kissing her, then on with a johnny to fuck in varies positions before OWO cumming in her mouth. Really enjoyed and am hard rethinking the experience, so taking the hour next time
