The Story:

This goes down as one of the worst punts at VH for Me,all services were ok but She had nothing to say for Herself, came accross as totally un-interested & very Robotic,no where near the standard set by this esatblishment,so I left feeling a bit underwhelmed to say the least.

There are some very good Girls here who make you feel special, sadly on this occassion it did not happen & imo this Girl is in the wrong job,sorry :)
