### The Premises:

the candy shop a bit out of character from all the asian shops but safe enough for a friday afternoon. a little entry to dart down to enter premises,very basic but clean enough.10 quid entrance,2 girls on offer both very similar,3rd girl busy.

### The Lady:

long dark hair,size 8, young about 19/20, eastern european, spoke reasonable english, no beauty, a girl next door.

### The Story:

nice back massage,then turned over for her to ride me, not brilliant but plenty of eye contact, after 5 mins of her rocking about it was time to get her on her back and pound that young pussy.great place if you want to empty your sacs.
