The Premises:

Not bad. Had some difficulty finding her place, and my only problem with the agency is that they did not give me accurate directions. But to be fair they were helpful when I called them upon arrival at the tube station.

The Lady:

Wow - beautiful as in her photographs - medium sized tits which are shapely with large erectile nipples at the end. Perfect bundle.

The Story:

On top of the physical description above, Lexi is amenable to roleplay and oral pleasuring her punters. I will say no more - experience her for yourself.
