The Premises:

An unassuming house on a residential street in lower Sydenham. The room is small, but of a good standard with music playing softly and a screen mounted high showing the usual type of video. Maids are friendly and hospitable. One girl each day.

The Lady:

Maria is Portugese and somewhere in her twenties I would say. A curvacious little chunk of a girl with large, soft, pendulous knockers. Friendly, talkative and keen to please. I have a "gentleman's cock", apparently.

The Story:

This is a new establishment and still somewhat quiet. I've seen Maria three times now and each occasion has followed the same format. Warm up kisses and cuddles, lots of fondling. She likes her tits sucked and played with and enjoys manual stimulation below. I haven't tried her with oral as yet, but I haven't discovered any no-go zones so far either.

The BJ was nice and she followed my directions well, slurping noisily before mounting me. Then me on top for a while followed by her riding me slowly, bringing me to a shuddering climax. With the few remaining minutes I enjoyed a brief massage, and then sadly it was over again.

Thank you Maria. You've become something of a favourite. I look forward to seeing you again, and to sampling some of the other girls in time too. I understand that there will be real photos of the girls on the website shortly.
