The Premises:

A flat not far from Christ Church Park
Let?s just say she had pets, she mentioned cats as I walked in and the smell smacks you in the face as soon as you walk down the stairs.

The Lady:

The date of this visit is estimated, could have been January or March but lady still advertises with same number.

Tall, good looking girl, nice figure, friendly, was really surprised when she handed me a fiver change when I gave her ?80

The Story:

The smell and the telly being on in the room put me off, she blew me with out but mostly wanked me until I squirted. Just couldn?t get it up long enough for any thing else

In fifteen years of punting, this is the only girl I?ve ever paid and never fucked because I couldn?t. The ache in my sack was gone but that what the fuck am doing frame of mind was running amuck
