The Lady:

Zoe

where do we begin, this girl is a size 8 very tall 6ft brunette short hair and glasses with small natural tits and looks like a secretary

smart dressed and very well presented

this is a girl who dresses well, but is not always the best looking of the bunch but guys trust me look beyond the wrapper as beneath lies a very sexy package indeed.

The Story:

Zoe covers all services from A to Zee i say Zee because she has an american accent and tells me that's where she is from and when she talks dirty it sounds totally different to english, a bit of a turn on in itself.

She gives a better than normal service in the room and as i said does everything, but here is the bonus she enjoys it as well and the body and voice lets you know she is in ecstasy with lots of genuine moans

so as i said try this girl she is GOOOD very GOOOD
thx Zoe xx chef
