The Premises:

Home in area known to me with which i was not entirely comfortable, but which proved to be very safe and secure

Found easily and with good parking. You may need a sat/nav!!

Discreet entrance.

Once inside felt very secure.

The Lady:

Very nice looks. Not quite sure what to expect on first meeting, but I was made to feel very welcome.

I requested a red basque, and holdups and heels. This lady was and looked A1

Great body and mind Crystal takes pride in her appearance top heavy 36f size12/14 around 5ft5

The Story:

No clock watching, and I felt she was as comfortable with me as I was with her. I loved her in red. I just loved every bit of her. She dressed to please me.

Anything I wanted was available. She was eager to oblige, but she only needed to be there for me to enjoy a great time. From the moment we met I could not wait to help her finish hooking up her basque and take some sexy photos. And then down to business working just as hard to take off the basque to reveal great breasts, spectacular nipples. Lovely back and peachy butt. Crystal loved her magic wand just as I enjoyed her letting me use it on her. A great lady I know that I got everything I requested and more.

A special experience which for a first time meeting was of the best standard. Crystal told me she now takes early morning calls and night calls..not free the hours of 12pm/6pm
