The Premises:

I've never been here before, but driven past loads of times. Very easy to find and about 3 minutes walk from the train station. Clean and tidy from the outside and just the same inside. Secure parking all around. Camera'd entrance and greeted by one of the 2 ladies working and all are English. There are 2 rooms, that look like sauna's, complete with shower. Clean, welcoming and music piped around the place - to hide the moaning!

The Lady:

Kate met me at the door and was very welcoming. We struck up an instant rapport, so any worries disappeared right away. I guess Kate is in her 30's - sorry if that is not the case honey. Long brown hair, very slim, with small breasts. Small tattoo's on her arms, which look sexy and not offensive or out of place. Very chatty and open from the start.

The Story:

When I rang the place, a nice, well spoken man answered and gave me great directions to the place. My guess is that he could be 'on site' to look after the girls, but not seen.

I was offered many options and instantly forgot most of them, as I was a little excited. Kate put me at ease right away and I went for the ?70 option, which included kissing and OWO - which is what I was after. Although it did not include CIM, which was in the GFE package for ?80 - next time!

Kate started off with a soft back massage, which felt wonderful and could have gone on for hours.

I should mention at this point - it is pointed out to you, that you only get the time you paid for and not a minute more. So Kate is a clock watcher, but it is part of her service.

We chatted while she massaged me, then some kissing, before she got down to the OWO. She has a nice touch, great lips and over all action is very good. Because I had chatted too much, there was not enough time for Kate to finish me off, which I did and was still enjoyable.

I was offered a shower before and after the 'event'. Upon leaving, Kate made sure we were alone when I left, so I did not bump into another customer - which is a nice touch.

Next time (and there will be a next time), I will get right down to it the moment the door shuts!

Apparently, there are 4 girls that work a rotation there. Most things seemed to be on the menu and Kate also offered a duo with another girl next time. So I might have to make this a regular place to visit - if my bank manager allows it!!!
