### The Lady:

Sasha is a petite and very pretty 19 yo blonde Spanish girl. She has long hair, smooth, flawless skin, perfectly proportioned perky breasts and a sweet, tasty pussy.

### The Story:

After getting payment out of the way, I undressed and lay back on the large, luxurious bed until Sasha came in, removed her bikini and used her hands to make me erect. Condom fitted she commenced oral, using her tongue in a most stimulating way. We briefly tried cowgirl but it was a hot day and not working for me so I asked to try RO on Sasha. Good decision. After enjoying kissing and sucking her breasts, I moved down to her pussy and, before long, she had moistened up and was rocking her pelvis in response to my oral stimulations.

After, at my request, Sasha continued the CBJ until I came in floods. After cleaning up, we sat together naked on the bed and talked about her work my hobby, feedback and field reports, holidays and other things. All in all, a very nice, beautiful, friendly girl. Thanks, Sasha.
