The Premises:

Nice detached house on a main road - plenty of off road parking. Very discreet and quiet - 5 minutes drive from junction 17 of the M4

The Lady:

Short dusky lady long dark hair, wearing a tight fitting black leather suit when I arrived. Difficult to guess her age, probably mid/late twenties. Very attractive and sexy.

The other lady a bit larger, and a little older, wearing tight fitting black leather skirt, blonde hair.

The Story:

I found Isabella from a BDSM website and we had exchanged emails before meeting so she was fully aware of what I wanted. On arrival, had coffee and resolved the business aspect.

Upstairs, undressed and was soon on the bed being excited. After some time, on to the St Andrews Cross for some restraint and application of hotwax from both girls. This, I found very erotic. It was then back to the bed, both girls having taken their tops off. Kissing and fondling followed me receiving more than giving. We tried using my Fleshlight on me a total failure - it was clearly made for a child. How nice to know I was far too large for it - back to Isabella's hand. She has a beautiful touch.

On completion, into the ensuite bathroom for the "ablutions" and then dressing.

Having read the other reports about Isabela and Debbie I have some ideas for next time.
